

# Mrs. Kitz's Class News

APE

4-16-12

*Bloom where you are  
planted*

## Congratulations

To the children for Measuring their friend's body and for composing awesome 3-D shapes!!

## Family projects and or home learning

- If each vowel in your name is worth 5 cents, how much money is your name worth?
- Draw a row of flowers showing a pattern.
- Draw a map of your bedroom.
- Write a letter to Ms. King telling her about what you want to do this summer.
- Complete the making words activity.

## Specials

4-16 – Art

4-17 - Music

4-18 – P.E.

4-19- Art

4-20- Music

## Curriculum

In writing this week we will continue to focus on writing fairy tales and practice our editing skills. We will also work on topic and closing sentences. In math we will create our own word problems, have math talks and work on greater than and less than. In reading we will be reading An Elephant Grows Up. We will explore text features and compare and contrast fiction and non-fiction using a thinking map. We will also identify who is telling the story. We will continue to focus on beginning, middle, and ending of a fairy tale and character traits. Our vocabulary words will be: Popular, gather, vegetation and remain. In Science we will do double bubble thinking maps over 2 plants focusing on comparing and contrasting. We will also add to our plant books practicing the skill of observation.
